ED CHARLES dishes up the latest on Melbourne's food, wine and bars

TAN RETURNS

Singapore-born chef James Tan is back. He sold out from Magic City in Camberwell last year, returning to Singapore to consult. By February he was back in Melbourne and exclusively contracted for one year by the Rivers Group to consult as head chef at Yum Cha Dragon (14/427 Docklands Drive, Waterfront City, Docklands). Tan says he is concentrating on high-quality produce and simple, clean flavours while training the restaurant's staff. Yum cha on Sunday was excellent and the duck spring rolls were stunning, but this restaurant offers much more.
